

Impact of the Covid-19 pandemic on Assystem's 2020 objectives

Paris-La Défense, 20 March 2020, 5.35 p.m. (CET)

In view of the speed at which the Covid-19 pandemic is spreading, as well as the social distancing and lockdown measures put in place by governments, particularly in France, Assystem will not be in a position to meet the revenue, EBITA margin and free cash flow objectives for 2020 that it announced on 9 March 2020.

As the situation currently stands, we are unable to measure the net impact on Assystem's revenue and earnings that will be caused by Covid-19 itself, and by the measures taken in the Group's various operating countries to halt the spread of the virus and alleviate its effects on companies.

Assystem will issue an update on this net impact as soon as it can be estimated with a sufficient degree of reliability.

In addition, Assystem has decided to postpone its Annual General Meeting from its originally scheduled date of 14 May 2020 to 26 June 2020, with the aim of enabling shareholders that wish to attend to do so. The per-share dividend for 2019 that will be put to the shareholder vote at this AGM will still be €1.00. If this dividend is approved, it will be paid in the first two weeks of July 2020.
